Pitch/Marking Guidelines

Pitch Measurement

100m in length by 70m in width maximum.

Minimum permissible dimensions should be laid down in the rules of the competition in which a match is being played.

Dead Ball Line

Should not be less than 10m or more than 22m from the goal line.

The six short lines are marked 5m in front of and parallel to the goal lines at the posts, 5m lines and the 15m lines. These lines are 2m long.

Goal Lines

At either end of the field maximum of 100m apart, extending from touchline to touchline.

22m Lines

22m from and parallel to the goal line, at either end of the field.

Halfway Line

Parallel to the goal line, halfway between the two goal lines,.

5m Lines

A broken line to be marked 5m from and parallel to the touchline on either side of the playing field.

Continued.....

Please be advised that these are produced in good faith and Souters Sports Ltd dose not accept any responsibility for any variation of dimension that may occur.

Continued.....

15m Lines

A broken line, marked where it intersects the 22m line, halfway line and 10m line. Also to be marked from the goal line to the first dash 5m out.

To be marked 15m from and parallel to the touch line on either side of the field.

10m Lines

A broken line is marked 10m from and parallel to the halfway line on both sides between the two 5m lines.

Goal Posts

Extend up wards by atleast 3.4m and are 5.6m apart measured from the inside of the posts.

They are connected by a crossbar 3m from the ground to the top edge of the crossbar.

Line Width

5cm wide.

Colour

White
